

MANOR HILL NEWS

7th February 2025

Dear Parents and Carers,

Thank you to everyone who attended the Reception maths parties on Monday and Tuesday, we have taken feedback from the parent events over the last two weeks to help us design the next opportunities for you to join us.

We also sent home a link via text to a mid year parental survey, thank you to those who have completed it, if you have yet to do so we would appreciate you completing this as it helps us to continually improve.

We have enjoyed some exciting events this week, on Wednesday the Recycling Lorry visited Little Learners and Reception. The children were able to learn all about the vehicle, refuse and recycling and even got to sit inside!

On Thursday, 25 year 3 and 4 children joined the Young Voices choir of over 8000 children at the Co-op Arena in Manchester. The event was fabulous and provided an awe inspiring experience for the children. Thank you parents for supporting this, we hope that you enjoyed the show as much as we did!

Today Maple class shared an incredible class assembly, their knowledge of science investigations and materials was brilliantly communicated and we very much enjoyed hearing about their learning, well done everyone!

Next week is the last of this half term, we are looking forward to disco day on Thursday and non uniform day on Friday!

Have a lovely weekend,
Jess Chambers

Thank you from
Y4!
They raised
£184.50 in their
cake sale last
week!

MANOR HILL NEWS

Learning Highlights

- Bright Beginners and Early Explorers have very much enjoyed the soft play and sensory walk apparatus this week, moving their bodies in different ways and developing coordination.
- In Little Learners the children have been practising using tape to join objects together, this can be a tricky skill and we are very proud of their perseverance.
- In Reception this week the children have made us so proud with their writing all about hens.
- In Key Stage 1 the children have explored the work of Henri Matisse and are moving onto creating their own art using shape cut outs.
- In Key Stage 2 the children have learned about the food groups and the importance of having a healthy, balanced diet.
