## 4th April 2025

Dear Parents and Carers,

We have had a super penultimate week of the Spring Term in the glorious sunshine!

The highlight of the week was most definitely the Colour Run hosted today by Time4Sport today! The children had a wonderful time navigating the obstacles while being showered with colourful paint. What made this even more special was the opportunity to purchase fun accessories to add even more colour to the proceedings, this has raised £305.00 for our school fund and will support extra curricular activities. Thank you for your support!

Next week we have lots of events in school to celebrate Easter and are looking forward to parent consultations to share the children's achievements this term.

We will also enjoy a party day on Friday with a special surprise for the children to mark my final day at Manor Hill.

Have a lovely weekend,

Jess Chambers

## After school clubs

A reminder that there are no after school clubs running next week.

A new set of clubs will be available to book via Arbor after the Easter break for the Summer Term.

Hilltops will run as usual.

## Learning Highlights

- In Nursery this week the children have enjoyed lots of water play outside in the sunshine, from tipping and pouring in Bright Beginners to transporting in Little Learners and everything in between, the children have had a splashing good time!
- In Reception this week the children have explored 3D shapes, learning their names and properties. Using them to print with paint allowed them to recognise the shapes of the faces and recap their 2D shape knowledge.
- Key Stage 1 have been busy practising for their Easter Eggstravaganza! You are in for a real treat!
- In Key Stage 2 the children have further strengthened their knowledge of rivers and are looking forward to visiting the River Trent on Tuesday.
