

MANOR HILL NEWS

9th of May 2025

www.manorhillfirst.co.uk

Dear Families,

It may have been a shorter week this week however as you will see in our highlights it has still been action packed. This week has been filled with exciting learning and proud moments from representing the school to achieving learning goals. We commemorated VE Day with reflective learning, creative projects and a shared appreciation of History.

On Tuesday, we had the pleasure of welcoming Mr Keay who is our Trust Director of Education, he spent time visiting lessons, talking to the pupils and celebrating the hard work of the children and the Team. Manor Hill really is the place to be!

Best wishes,

Mrs Lindsay Harris
Headteacher

This Week's Highlights

- We definitely turned Manor Hill red, white and blue and the whole school has enjoyed learning about and celebrating V.E. Day!
- Key Stage 2 played amazingly well winning both football matches played this week against Barnfields and Woodseaves.
- Our Bright Beginners and Early Explorers loved their visit from 'The Farm on Wheels'. What super caring children they all were!
- Little Learners have had lots of fun learning with Chuckle.
- The Year Four children have been making a splash at swimming. What excellent role models that have been at the leisure centre!
- Reception have been tasting lots of yummy vegetables which has inspired their writing.
- Our Key Stage One children have had really thoughtful discussions learning about World War One.
