

MANOR HILL NEWS

23rd of May 2025

www.manorhillfirst.co.uk

Dear Families,

It may have been a short half term but it has definitely been an action packed half term! From History trips to football matches and from a Standon Bowers residential to a visit from the 'Farm on Wheels' and much more we have maximised learning opportunities, deepened knowledge and developed new skills whilst making many amazing memories along the way. All of us in Team Manor Hill wish you a wonderful half term and look forward to continuing to ensure 'Manor Hill Is The Place To Be' when we welcome you back in June.

Best wishes,

Mrs Lindsay Harris

Headteacher

This Week's Highlights

- What a fantastic learning opportunity our Reception children had visiting a local shop! They wrote a shopping list, planned a budget and spent money at the till.
- The Key Stage Two girls football team played incredibly well against Yarlet School this week and had fun giving it their all.
- Year Three Children had an awesome time learning new skills such as archery in their outdoor learning at Kibblestone this week!
- Mrs Harper and the children have launched a super exciting 'Pirate Takeover' event today in assembly to raise funds for a much needed library refurbishment. A letter has come home with your child with all the details you will need.
- A huge thank you to our volunteers who supported with all of our trips this half term. It really does make a difference.
- Our Nursery children have had lots of fun using cutting and tearing fine motor skills and have made some amazing sun art.
- The mathematicians in Key Stage One have demonstrated excellent fraction knowledge and skills.
