

# MANOR HILL NEWS

6th of June 2025

[www.manorhillfirst.co.uk](http://www.manorhillfirst.co.uk)

Dear Families,

We hope everyone had a restful and enjoyable half term. The Team have been very impressed by how well the children have settled back. As we step into the second half of the term, there is plenty to look forward to from exciting classroom learning to events ranging from Father's Day activities to our Pirate Takeover Day!

Preparations are busy taking place for the Key Stage 2 end of year production of 'Oliver!' The children are working incredibly hard learning lines and we cannot wait to share their talent and enthusiasm with you. A separate letter with full details about tickets, dates and times will be sent out shortly.

Best wishes,

Mrs Lindsay Harris

Headteacher

## This Week's Highlights

- There has been lots of fun creating large scale rainbow paintings on the floor, experimenting with colours using powder paint in Nursery.
- The Early Explorers have been tasting a variety of delicious fruit. Yummy!
- Our Key Stage One children have been learning all about life in the trenches during World War One. During Forest School, they did an amazing job of giving positional directions to each other through lots of engaging and hands on activities.
- In Key Stage Two Science the children have been investigating electrical circuits, testing which objects were conductors or insulators.
- Reception pupils have been busy learning about Vincent Van Gough and have been using their art skills and creativity to produce their own self portraits.
- The Year Four pupils have started creating data bases within computing lessons. It has been lovely watching them get into their 'Oliver!' characters.
