

MANOR HILL NEWS

13th of June 2025

www.manorhillfirst.co.uk

Dear Families,

We have had a fantastic week of celebrating role models in our lives this week at Manor Hill First School. Our Early Years children enjoyed lots of Forest School fun with their family members and Key Stage One and Two Children had a fantastic time using their design and technology skills making marble runs with their family members. They were extremely creative. The Manor Hill Team wish everyone a Happy Father's Day this Sunday!

Community and communication are of upmost importance to us at Manor Hill. If you have anything that you need to discuss, your first point of contact is your child's class teacher and they will be happy to help.

Excitingly, raffle tickets for the Summer Fayre will be coming home with your child on Monday.

Best wishes,

Mrs Lindsay Harris
Headteacher

This Week's Highlights

- Our mathematicians in Reception have been learning all about halves and doubles.
- Year 4 have been making super progress in swimming and have been excellent Manor Hill Role models on their Middle School Transition Visits.
- The artists of Year 3 have been inspired by Georgia O'Keefe and have created some amazing art work using water colours.
- It was wonderful to welcome our Reception 2025/2026 families into school this week. A huge thank you to Mrs Lycett and Mrs Harper for organising and hosting the information event.
- Little Learners have been comparing lengths and had lots of fun playing 'join the queue' organising themselves from tallest to shortest.
- In Bright Beginners, they have been strengthening their fine motor skills by using tweezers to pick up small objects and squeezing sponges to clean their toy babies.
- The children in Key Stage One have been carefully looking after their plants, monitoring their growth and using super maths skills to measure them.

Manor Hill's The Place To Be!
