

MANOR HILL NEWS

20th of June 2025

www.manorhillfirst.co.uk

Dear Families,

We are very excited to have shared our 2025/26 staffing structure with you and your child's next teacher ahead of our transition sessions next week. These sessions are designed to help pupils feel comfortable and confident about the changes ahead. You will have an opportunity to meet your child's new teacher at the 'Meet the Teacher' event in July.

A huge thank you to everyone who helped make this year's Key Stage One and Two Sports Day a success, especially Time4Sport, Mr Tapp and our Year 4 Leadership Team. What a fantastic event it was! Congratulations to all of our participants and to our overall winners the Red Team. Wishing you all a wonderful weekend ahead and hopefully lots of paddling pool time and ice lollies are on the agenda to keep cool in this heat!

Best wishes,

Mrs Lindsay Harris
Headteacher

This Week's Highlights

- Well done to our Key Stage Two Footballers who played exceptionally well against Oakridge Primary School.
- Our Year 3 Geographers have shared excellent knowledge about rivers this week and could explain all about the evaporation process.
- The Mathematicians in Willow have been learning all about fractions of shapes and numbers.
- Our Authors in Maple have written some amazing descriptive sentences about the bear from 'The Bear and The Piano'.
- The children in Elm have been busy learning about statistics and have represented data using tally charts.
- Little Learners have created calm music using ocean drums and small harps.
- Our Bright Beginners have been developing their physical skills by pouring, filling and scooping water. It's been a great way to keep cool.
- The Early Explorers are ready for summer. They have been busy making play doh ice creams.
- Inspired by Georgia O'Keefe, Year Four have been using their art skills using tonal scale effectively with watercolours.
