

MANOR HILL NEWS

26th of June 2025

www.manorhillfirst.co.uk

Dear Families,

What a successful week of transition sessions we have had! It was great to see how excited the children and team are for the year ahead. Thank you to all of our families for your support with this. Remember to book your 'Meet the Teacher' session via Arbor. We have a busy few weeks ahead of us at Manor Hill with lots of events and celebrations planned. Let's keep up the hard work, positive attitudes and Manor Hill School Spirit to ensure a memorable end to this academic year.

A huge thank you for all of your bottle donations towards the school fayre. If you can lend a helping hand at the event do reach out.

Best wishes,

Mrs Lindsay Harris
Headteacher

This Week's Highlights

- What an awesome Willow Class Assembly, teaching us about WW1!
- The Early Explorers have taken time out to relax by enjoying some calming yoga.
- Our Bright Beginners have had lots of citrusy sensory play.
- Little Learners have been developing their gross motor skills with lots of throwing and catching ahead of Sports Day.
- It felt very strange without our Year Four children on Monday and Tuesday but we are so proud of how they have got on at their Middle School settings.
- Our Maple Class Scientists have been investigating the effects of sunlight on their radishes. We'd love to know what they grow at home.
- Well done to Year Three who had their first Manor Hill Swim session. They had a splashingly good time!
- Our Reception Children have finished the week at Peak Wildlife, learning all about the animals, their diets and their habitats. A huge thank you to all of our volunteers who accompanied them.
- The Elm Class Geographers have been learning all about human and physical features of Stoke On Trent. Can they tell you the difference?
