

MANOR HILL NEWS

4th of July 2025

www.manorhillfirst.co.uk

Dear Families,

What an awesome way to end the week with a 'Pirate Take Over' organised by Mrs Harper! Thank you for your incredible donations and for supporting this event to ensure its success. Funds raised from this event will help transform our school library. We cannot wait to share with you the final result.

We look forward to welcoming you all to the Summer Fayre next week. There will be games, fun, lots of prizes and much more.

Best wishes,

Mrs Lindsay Harris
Headteacher

This Week's Highlights

- Thank you to everyone who joined us for our Early Years Sports Day. It was a fantastic day full of fun and achievements.
- Our Year Four pupils had a wonderful time at the Cinebowl for bowling and ice-skating as part of their leavers treat. They are super busy rehearsing for what promises to be an amazing end of year show. Tickets are available from the main office.
- The Mathematicians in Willow Class have been demonstrating excellent knowledge of doubling numbers. Ask them to share their knowledge.
- The Elm Class Geographers have been learning all about Rio de Janeiro in Brazil. Can they tell you some key facts?
- In Maple Class, the children have been busy learning the time to quarter to and quarter past the hour. Do practise this skill at home when you can.
- In Year Three, it has been another busy week of learning time intervals of 5 minutes, moving on to recognising individual minutes.
