

EYFS Links- Understanding of the World Development

By the end of Reception we will have learnt how to:

- draw information from a simple map.
- recognise some similarities and differences between life in this country and life in other countries. (Africa)
- learn about contrasting areas locally and world wide.
- explore the natural world around them.

These early skills prepare the children so that in KS1 they can:

- create maps to explore local areas and develop our map reading skills to locate places.
- recognise physical and human features of particular countries and regions.
- make in depth comparisons between in areas in our country and other countries.
- Discovering different geographical features of our world.
